

Looking for a job in Accountancy?

Have you just finished your A Levels and looking for an alternative to University?

At Cowgill Holloway we offer a programme combining practical work experience, internal training and technical studies to enable you to achieve a professional qualification and take the first steps towards your future career.

We are looking for individuals who can make a clear difference to our clients and our firm. To be considered for the role you must have a desire to develop an audit and accountancy career at Cowgill Holloway, be able to work as part of a team and deliver a first class service with excellent communication skills. As part of this role, you will undertake accounting assignments, working on a wide range of client businesses, combining the demands of a full time role whilst studying for the AAT qualification. Your role will require you to prepare analysis of accounting data, be involved with the planning, execution and finalisation of the audit assignment supporting the Senior or Manager and ensuring compliance with internal (audit methodology and risk management) and external (regulatory) requirements.

To apply for this role you **must** have GCSE Maths and English minimum B grade or equivalent, and at least 3 A Levels grade C or above.
